## Les nombres de 10 à 20

### 1. Complète :

**2. Dans ces morceaux de lignes, écris les nombres manquants :**

The diagram consists of five horizontal timelines, each with 12 vertical tick marks. The timelines are arranged vertically and labeled with numbers: 13, 12, 15, 17, and 9. Each timeline has a black arrow pointing to the right, indicating a direction of movement or a sequence of events. The arrows are positioned at the end of the timelines, suggesting a final state or a continuation of the process.

### 3. Compare et écris $<$ ; $>$ ou $=$

17 . 12	17 . 19	15 . 16	13 . 20
20 . 14	11 . 13	19 . 18	14 . 10
